# 1 AUDIOVISUAL EQUIPMENT

---

## HIGH TECH DISPLAYS

Sleek, cutting-edge LED screens can help you stand out, and in a hyper-connected world, they have become indispensable.

- ◆ They combine high-definition display with real energy savings (on average of 40%).
- ◆ Since high-definition displays are compatible with both video equipment and computers, they are the perfect solution for all of your presentations, whether for slides, demos or showing video clips.
- ◆ We have a wide range of screens to meet your needs.
- ◆ They are delivered to your stand, complete with speakers, and can be free-standing or wall-mounted.

## VIDEO PROJECTORS AND ADDITIONAL EQUIPMENT

For your presentations, VIPARIS also has a range of useful equipment for your stand.

## SOUND

Sound is also an important element for your stand. Do you need speakers or microphones? Viparis has professional-level equipment to meet your needs.

### USEFUL TIP

- Loud installations must be declared to event organisers in advance.
- For safety reasons, for all installations louder than 80 decibels, you must also ensure that they can be overridden by the in-house public address system at our Paris Expo Porte de Versailles, Paris Nord Villepinte and Paris Le Bourget sites.

### PLEASE NOTE

- You are responsible for the equipment you hire.
- Do not leave it unattended.
- You must be present when it is delivered.

### VIPARIS PROVIDES

- ✓ Delivery to your stand and installation of audiovisual equipment
- ✓ Retrieval of equipment at the end of the last day
- ✓ Technical support throughout the event
- ✓ This option does not include insurance against theft or damage.

## 2 MULTIMEDIA

---

### A MULTIMEDIA STAND

You may need, at your stand, to relay images in real time or broadcast certain special programmes. Viparis can provide you with a dedicated set-top box with a bouquet of channels.

#### USEFUL TIP

If you need television screens, Viparis has a range of high-definition displays of all sizes that can be delivered directly to your stand.

### MAKE YOURSELF HEARD (PARIS EXPO PORTE DE VERSAILLES)

If you need a sound system for your stand, remember that if it is louder than 80 decibels it must be connected to the site's public address system.

- ◆ This means that your sound system can be overridden in case of emergency or if a message needs to be broadcast to the entire site.
- ◆ Loud installations must be declared to the event's organiser in advance.

## 3 IT EQUIPMENT

---

### A FULLY-EQUIPPED STAND

ablets, computers, floor displays, etc.

Do you take your equipment with you wherever you go? To cut down on wear and tear, and the risk of damage, it is possible to hire them.

#### PLEASE NOTE

- You are responsible for the equipment you hire.
- Do not leave it unattended.
- You must be present when it is delivered.

#### VIPARIS TAKES CARE OF

- ✓ Delivery of IT equipment to your stand and installation.
- ✓ Retrieval of the equipment at the end of the last day.
- ✓ Technical support throughout the event.
- ✓ This option does not include insurance against theft or damage.

## 4 OFFICE EQUIPMENT

---

To print out documents on the spot at your stand, we have printers to help you. Whether you need a printer/fax, a laser printer or an all-in-one—in black and white or colour—Viparis can supply you with a printer that meets your needs.

### PLEASE NOTE

- You are responsible for the equipment you hire.
- Do not leave it unattended.
- You must be present when it is delivered.

### VIPARIS TAKES CARE OF

- ✓ Printer delivered with full toner cartridges on the day before the event opens
- ✓ Retrieval of equipment at the end of the last day.
- ✓ Technical hotline support throughout the event.
- ✓ This option does not include insurance against theft or damage.
