

DETAILS SHELL SCHEME BOOTHS

Floor space + shell scheme package (up to max. 27m²)

- Is a booth space including a shell scheme
- It is designed for exhibitors who do not design and construct their own stand
- It is set up and dismantled by the official congress stand builder
- Your shell scheme booth space should be separated from your neighbouring exhibitors by means of a wall.

What's included in the shell scheme package:

- White wall panels L100 x H250 cm
- Carpet flooring (choice of 6 colours)*
- Facia board with company name on each open side
- 1 LED spot for 3m²
- Daytime power 1 kW (instead of 3kW)**
- Standard ESHRE wifi will be available in the exhibit hall
- Build-up and dismantling
- Initial cleaning before the official opening of the exhibit + emptying bins daily

What's not included in the shell scheme package:

- Furniture
 - Graphics
 - Extra electricity (if you need more than 1 KW)
 - Daily cleaning inside of your booth space
 - Hanging banner
- ➔ These services can be ordered in Viparis' webshop which will be available in the week of 14 April

*Free Carpet colours for the shell schemes

Included in your shell scheme: choose one from the below carpet colours:

1. Red
2. Dark Blue
3. (Grass) Green
4. Beige
5. Light Grey
6. Dark Grey

Please send your carpet colour selection to exhibit@eshre.eu before 15 May 2025.

If you would like a different colour than the standard option, you can order it (at an additional cost) via the Webshop.

**Extra info about Power: 1Kw compared to 3 Kw

- 1 kW is enough to charge up to 4 devices at once (e.g. a laptop, phone, tablet).
- A coffee station requires 3 kW minimum.
- Power is available from 7:00 am to 8:00 pm. No electricity will be supplied overnight. If you need power during the night, you'll need to order additional overnight power via the Webshop.

Graphics

If you would like to put graphics on your shell scheme wall, then these can be ordered in the Webshop.

Daily cleaning

Want your booth cleaned every day? You can order this service via the Webshop.

Reinforced walls to hang video screens

Would you like to hang a video screen in your shell scheme stand? Please make sure to order a reinforced wall via the Webshop.

HANGING BANNER ABOVE SHELL SCHEME BOOTH (optional)

Planning to hang a banner above your booth? This is only allowed in the green spaces.

Please send your rigging plans to the contacts below: loick.kuntz@viparis.com and florent.arcayna@viparis.com

Include your stand number and company name on the plan.

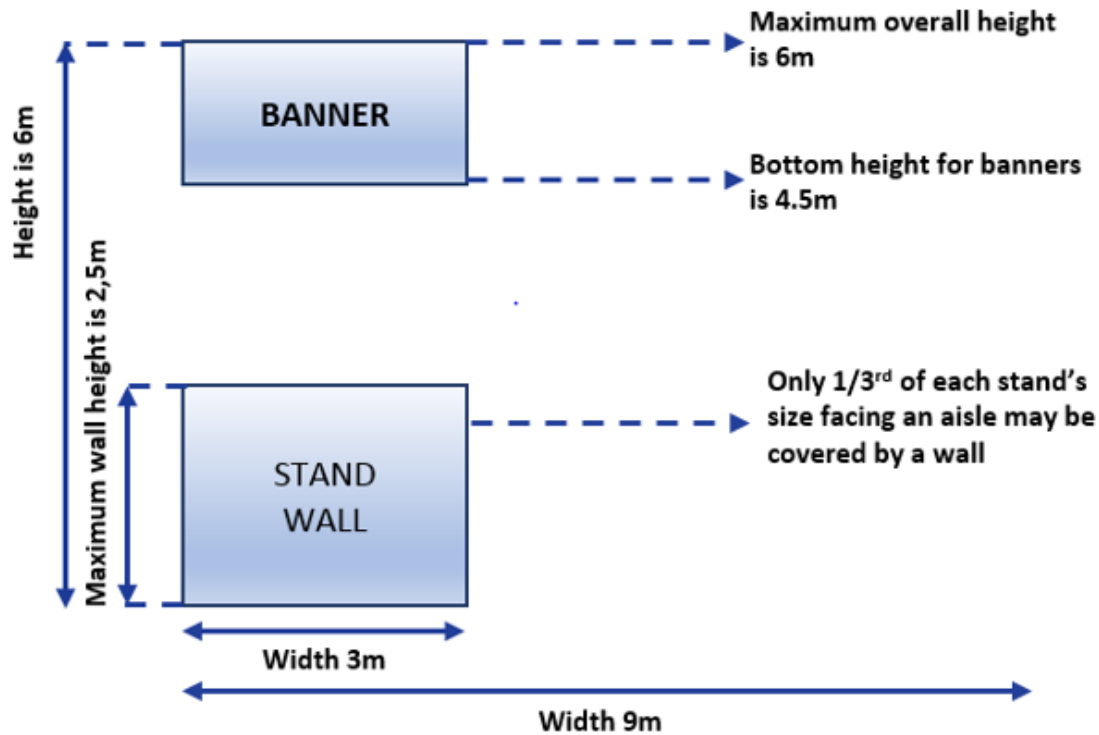

ESHRE's BUILDING RESTRICTIONS

- **There are 2 distinct overall heights:**
 - **Orange booth spaces: 4m (no banner/rigging possible)**
 - **Green booth spaces: 6m (incl. rigging)**
- **Hanging banners (only possible for green booth spaces):**
 - They are allowed for the **green** Peninsula, Corner and Inline booths

- The lowest point of the hanging banner has to be positioned at 4.5 meters above the floor. The hanging banners can have a maximum measurement of 1.5m, which brings the overall possible maximum height up 6 metres (see plans below)

GREEN SPACES – Plans building restrictions

INLINE, CORNER AND PENINSULA BOOTHS

ORANGE SPACES – Plans building restrictions

ISLAND, INLINE, CORNER AND PENINSULA BOOTHS

(no hanging banners possible)
